Dr. Babin,

Thank you for your inquiry about the photo. I along with my coworker Gary were responsible for working on the San Jaction site for the EPA. Please find attached the photo I believe you looking for. I have also included the EPA website which has an "image" section as well. Please feel free to call or email me if you need anything else.

Hello Gary,

I am providing information for a biannual report entitled "The State of Health - Houston / Harris County". I have included a small section on the San Jacinto Waste Pits and would like to include a picture of the geotextile cover that is visible from the I-10 freeway. So far I have not been successful in finding a photo so I thought I would ask if you could provide one.

Thank you,
Latrice
